

## Review Goals and Feedback

- **Before lunch break** count off 1, 2, 3, 4, 5 -- repeat
- Form a group composed of all 1s, 2s, 3s, 4s, 5s
- Groups gather at designated tables
- Select a recorder (online) from each group
- Each group will review objectives for their assigned goals and make recommendations for revisions
- The whole group will reach consensus on objective revisions
- The whole group will rank objectives in order of importance
- Using the revised objectives, each group will make recommendations for strategies designed to achieve the assigned objective(s).
- The recorder will enter the information in the Strategy Recommendations form (link on meeting wiki).
- Each group will present its recommendations to the total group for consideration.
- The whole group will reach consensus on strategy revisions
- The Collaborative will select 2-3 major projects for the current school year.
